FROM: Shashi Bhushan Pandey at State Obs.Nainital,India <shashi@upso.ernet.in>

Kuntal Misra and S. B. Pandey (ARIES NainiTal), on behalf of  
larger Indian GRB collaboration

We observed the GRB 041015 field (INTEGRAL trigger 2019) with 1.04m  
reflector at ARIES NainiTal, starting at Oct 15.6424 UT. Co-added  
R\_c frame (2 x 900 sec) did not reveal any new source within  
error-box upto ~ 20 mag, in comparison with nearby USNO-A2.0 stars.
